Worldline is the European leader in the payments and transactional services industry. With 45 years of experience, we are a highly innovative pan-European company with global reach, providing secure payments and transactional services, covering the entire payments value chain.

Our next-generation, omnichannel, end-to-end solutions provide seamless transactions for Merchant Services, Financial Services and Mobility & e-Transactional Services.

We build long-term partnerships with our customers such as financial institutions, retailers, governments, the transport industry, healthcare facilities, telecoms operators and utility companies, among others.

Worldline's innovative capabilities are matched by the power and dependability of its platforms, the security of its solutions, its broad geographical reach and the quality of its services.

Worldline

SEAMLESS TRANSACTIONS ACROSS 3 BUSINESS LINES

At Worldline, we cover the entire value chain of the world of payments and digital transactions. Our unwavering commitment to security, quality of service, innovation and operational excellence has made us leaders in all three of our global business lines: Merchant Services, Financial Services and Mobility & e-Transactional Services.

#1 IN MERCHANT ACQUIRING* **#1 IN FINANCIAL PROCESSING**
#3 IN EUROPEAN E-COMMERCE

MERCHANT SERVICES

ENERGIZING COMMERCE WITH ADVANCED PAYMENT SERVICES

Merchant Services' unique combination of payment, digital and transactional expertise allows merchants to grow their sales and enhance their customers' experience. We cover the full retail value chain, online and in-store. Supported by our fast-expanding international footprint, this business line is seeing rapid growth in geographies such as India and Central Europe. Based on an end-to-end approach in all our markets, we deliver a real digital journey for retailers and their customers and facilitate consumer engagement, via seamless services, on any device - putting payment at the very heart of the shopping experience.

CONSOLIDATING PAYMENT PROCESSING IN EUROPE

The payments industry has entered a new era, triggered by transformative technological innovation, new regulations and increasing competition. Consumers want to be able to initiate payments in every context or channel. As a pan-European leader in financial processing, Worldline invests extensively in delivering new and innovative solutions for payments and card transactions, developed by its expert brand equensWorldline. With our know-how and experience, we help our clients adapt to the new reality of instant payments and digital transactions, enabling them to transform their business models, manage risks and fraud, and anticipate regulatory changes anywhere in the world. Leveraging our scale and our complete service portfolio, we work closely with our customers to help them prepare for a future full of opportunities.

MOBILITY & E-TRANSACTIONAL SERVICES

ENHANCING CONSUMER DIGITAL ENGAGEMENT BEYOND PAYMENT

There is much more to consumer digital engagement than just payment. In our Mobility & e-Transactional Services business line, we are deploying all of our experience and know-how in managing and securing transactions at the cutting-edge of the digital economy. Our expertise spans services as diverse as trusted digitization for regulated sectors, IoT, digital ticketing and contact centers. We help our partners and clients comply with regulations, secure their systems and transactions, and re-invent their customer engagement for the digital future.
