

WL Account-Based Payments

WL Account-Based Payments lets you launch your own payment method. Create your unique payment method to be displayed at checkout, showcasing your company name and official logo among traditional cards and e-wallets. Based on open banking technology, and accessible through a single API with a simple and swift integration, WL Account-Based Payments gives you access to many new benefits. Your own payment method comes with speedy settlement, low fees, QR-code payments and one-click refund. It gives you access to 20 European countries and the UK, making it the most competitive offering on the market today.

Feature list

Branded payment method

Promote your own brand of payment method at checkout

Lower acceptance fees

Compared to credit card and e-wallets

Instant settlement notification

100% guarantee of settlement after notification, no chargebacks*
