

Swift Corporates

Worldline Service Bureau

WORLDLINE 

Payments to grow your world

Worldline enables a standardised, secure and efficient connection solution to all Swift connected banks. Our service bureau is Swift certified and is supported by a dedicated team of more than 25 experts.

We provide managed and certified connectivity to SwiftNet, enabling customers to exchange messages with their business partners in a highly reliable, secure and managed way.

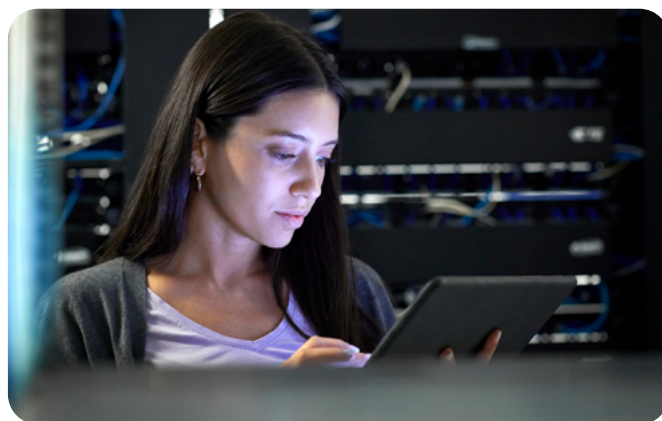

Latest payment evolutions for Corporates

Score+

Worldline can support you with the transition from FIN to better structured and richer ISO20022 messages, which is supported through the Swift Score+ service

Swift GPI for Corporates

Having visibility on both incoming and outgoing flows through the Swift GPI services:

- Pay and Trace
- Inbound Tracking

Benefits of our solution

Worldlines managed service includes:

- Technical connectivity
- High security standards
- Regulatory updates

Access to the latest developments within the Corporates industry:

- Score+
- Online payments tracking
- Swift APIs

Reduce complexity and high costs:

- One single connection to all of your existing banks and immediate access to new partners
- Reduce expensive local infrastructure and operational costs

Graphical User Interface:	Automated Processing:	SWIFT Formats:

24/7 availability

One simple connection over the internet through VPN combined with MQ or file transfer enables Worldline to handle the technical aspects. As a result, corporates can maintain focus on their business.

Address your challenges head-on with our fully compliant and scalable Service Bureau, tailored for financial institutions and corporates of all sizes. Our comprehensive solution includes a variety of value-added services, enabling you to maximise the benefits of Messaging Networks (e.g. Swift) and extend your reach even further. With our expertise, you can enhance your connectivity, streamline operations and unlock your organisation’s full potential in the global financial landscape.

Your trusted partner for connectivity

With our SIP-certified Swift Service Bureau you will benefit from cost-efficiency and the highest Swift CSP compliant security standards. Minimise your operational risk through exceptional flexibility and individual adjustment.

Achieve peace of mind knowing that you do not have to manage security requirements on your own. We provide the highest level of security and compliance with Swift CSP, ensuring you are protected. Additionally, we assist you with the mandatory reporting to SwiftNet, allowing you to focus on your core business while we handle the complexities of compliance.

Enhance your market position by taking the lead with new advancements like Swift GO and Pre-validation services. We cover all mandatory updates at no additional cost, ensuring you remain ahead of the curve. Our commitment to staying informed about emerging services means your service portfolio will continually evolve and improve.

Reduce operational risks and costs with our cutting-edge infrastructure and premium Swift connectivity. Our dedicated team of over 25 Swift specialists is available 24/7/365 to support you. This results in enhanced business continuity and increased flexibility for your operations.
