

**S1F2 Portable**

# The Android terminal with large touch display.

**With the Saturn 1000F2 Portable, you can offer your customers a reliable and flexible way to pay. The terminal has a fast, stable connection at any location and has a modern and ergonomic design including a clear large touch display.**

Accept all commonly used credit and debit cards, including PostFinance Card, TWINT and other mobile payment solutions via your mobile Android terminal.

Services such as tips or dynamic currency conversion (DCC) and much more make the Saturn 1000F2 Portable the perfect solution for your business.

**Practical design for greater mobility**

- Modern terminal with Android functionality
- Flexible use thanks to 4G or Wifi and an integrated printer
- Latest technology for optimised payment processes
- Fast payment thanks to contactless function
- Latest PCI PTS 6.x security standard
