

**Worldline Gift Cards**

# The perfect gift for your customers

**Win new customers and retain existing ones - and thus generate more turnover with little effort: It's easy with Worldline Gift Cards.**

Worldline Gift Cards are the perfect tool for customer loyalty and increasing sales. Card loading and payment with the gift card are made via your existing payment terminal from Worldline. The credit is valid for five years.

The web portal allows you to effortlessly administer your sold gift cards. This way you always have an overview of all transactions.

**Your benefits**

- Benefit from your company's own personalised gift cards made according to your wishes
- Online ordering and administration - uncomplicated, intuitive and fast
- Easy to use and rechargeable at any time - the Worldline Gift Cards invites you to make more purchases
- The perfect gift for your clientele and their friends and families
- Increase your turnover thanks to higher customer loyalty and awareness
- Control and transparency - you determine where the cards are accepted

**That's how easy Worldline Gift Cards work**

**1. Order gift cards**

Create your Worldline Gift Cards in your individual design and order them conveniently via our webshop at [giftcards.worldline-solutions.com](https://giftcards.worldline-solutions.com).

**2. Offer at the POS**

Give your customers the gift of joy with the Worldline Gift Cards and load the cards according to their wishes.

**3. Acceptance at the POS**

Worldline Gift Cards can be loaded with credit and redeemed via your payment terminal.

**4. Financial control**

You can easily and conveniently find all the information concerning the number of cards sold, all transactions made and expiry dates of the cards in the web portal.

**5. Repeat orders**

You can place repeat orders directly in the Worldline Gift Cards webshop.
