

Regional definitions of the card organisations.

Legend

Domestic: Domestic transaction that takes place within the country in which the card was issued (face-to-face transaction) or in which the merchant's place of business is located (distance sale).

Intra-regional: Transaction made with a Visa card issued in the Visa Europe region in a country of this region or made with a Mastercard issued in the Mastercard Europe region in a corresponding country of this region.

Inter-regional: Transaction made with a card issued neither in the Visa Europe Region nor in the Mastercard Europe Region.
