

Worldline Greece: "Fintech of the Year" for the 3rd consecutive year

Athens, 19 March 2025 – Worldline [Euronext: WLN], a global leader in payment services, continues its impressive trajectory in the digital payments sector, securing the "Fintech of the Year" title in Greece for the third consecutive year at the Digital Finance Awards 2025. The company was also recognized across multiple categories for its innovative products and services, reaffirming its commitment to innovation, security, and efficiency in electronic transactions.

At the Digital Finance Awards ceremony on March 10, 2025, [Worldline Greece](#) received accolades for the following:

- **Worldline Easy Transaction Packages:**
Excellence in SME and Freelancer Payment Solutions
Excellence in Flexible, Full-Spectrum Digital Transactions
- **Worldline All-in-One Platform:**
Best Fintech Solution
Best Payments Initiative (Payments App & Transaction Processing, PSD2 & SCA Digital Initiative, Payments Processing Project)
- **Worldline Live-Pay Platform:**
Best Instant Payments Solution Initiative (Real-Time Payments, P2P Payments, Merchant Payments)

These awards further solidify Worldline Greece's position as a leader in **digital payments**, providing solutions that actively support businesses and enhance the customer experience.

Mr. Ioannis Kitixis, Managing Director & Country Head of Worldline in Greece, stated: *"Being recognized as 'Fintech of the Year' for the third consecutive year is a tremendous honor for us. It is a testament to our unwavering commitment to innovation and the trust that Greek businesses place in us. We remain dedicated to shaping the future of electronic payments by offering cutting-edge solutions that empower businesses and contribute to the country's economic growth."*

With a vision for advancing electronic payments and fostering the growth of Greek businesses, Worldline Greece continues to innovate, expand, and deliver reliable solutions that shape the future of transactions.
